DECORAH AIRPORT COMMISSION
February 11, 2026
Airport Terminal Lounge

1. Roll Call - 5:01P
   Members present: Brett Willie, Kevin Thompson, Rick Hadley, Pete Marso, Brian Petersburg (via Zoom)
   Members absent: None
   Also attending: Travis Goedken, City Manager; Mike Connell, FBO; Dave Joens, McClure Engineering

2. Consider Approval of January 14, 2026 Regular Meeting Minutes
   Motion by Marso, Second by Hadley – all votes Aye

3. Discussion on Corporate Hangar with Attached Terminal Building Project
   Dave Joens distributed the three week look ahead. Project seems to be moving along well at this stage. Building is enclosed and drywall to start next week. Furniture will be discussed at the next meeting.

4. Discussion on Solar Array Project
   Joens recapped the preconstruction meeting from earlier in the day. Marso noted that solar doesn't need as much equipment mounted as originally thought. Conduit outside of the building was discussed for solar array, consensus was that it was fine, but paint it black to blend with building.

5. McClure Engineering Update
   Nothing additional to note.

6. Airport Manager's Report
   a. Hangar Changes – No changes
   b. Hangar Delinquencies – Goedken reported on delinquent rents

   Connell reported not much for expenses, had only ran the snowblower once the last month and all the light snows. Connell had met with Parks Department and they will be assisting with tree removal along fencelines and Aircare area.

7. Adjourn – 5:46P
