DECORAH AIRPORT COMMISSION
May 26, 2026
Airport Terminal Lounge

1. Roll Call - 5:10P
   Members present: Brett Willie, Brian Petersburg, Kevin Thompson, Rick Hadley, Pete Marso
   Members absent: None
   Also attending: Mike Connell, FBO

2. Discussion and Possible Action on Furnishing of Airport Terminal Building
   Petersburg introduced Constance Johnson, an interior decorator that is volunteering her time to design furnishings for the terminal. Johnson made a formal presentation to the commission along with estimated costs. Cost for the front entry area will be $11,500. Estimated cost for a desk, office chair, and two guest chairs is $2200 per office. We will use existing couch and sofa for the pilot lounge. We will purchase a small desk and office chair for that space for approximately $800. We will also purchase 2 tv's one for the front area to promote the city of Decorah and the second will be in the pilot lounge. Petersburg gave an update to the commission on the fundraising for the above items and reported that there are enough committed donations to fund the complete project. Any excess donations will be used for signage.

   Motion by Marso, Second by Hadley – all votes Aye, motion passed.

3. Adjourn – 6:10P
